**To All Municipalities within Huron County**

**Dear Sirs/Madames:**

**Re: Huron County Letter of Support for the Municipalities for Climate Innovation Program (MCIP): Climate Change Staff Grant.**

The County of Huron is preparing a grant application to the Federation of Canadian Municipalities for the MCIP Climate Change staff grant. This grant will provide up to \$125,000 to supplement the salary of a new or existing municipal employee who will work on initiatives to improve adaptation to local climate change impacts.

If this grant is received, a climate change advisory committee will be created or an existing committee will be used, a climate change adaptation plan will be designed and some of the plan will be implemented. Municipalities will benefit from this opportunity through a variety of initiatives including community consultation and a best practices guide.

The County of Huron requests that each municipality in Huron County submit a letter supporting the application to the MCIP Climate Change Staff Grant. It is requested that all letters be received back by June 15, 2018. A template of the letter of support is attached for your convenience.

Please send letters of support to:
