Each year, the Municipality of South Huron adopts the annual budget to levy and collect taxes. South Huron establishes tax rates for local municipal services and also collects taxes for the upper tier County of Huron and the four local school boards. The authority governing the municipal tax process is the Municipal Act, S.O. 2001.

– **Tax due dates**

South Huron issues two tax bills annually. Each billing is split into two installment due dates.

The interim tax bill due dates are March 15th and June 15th. The interim tax bill is based on 50% of the prior year's taxes. Interim tax bills are mailed out in the latter part of February.

The final tax bill due dates are September 15th and November 15th. Final tax bills are mailed out in the latter part of August. Final taxes are calculated using your property assessment multiplied by the applicable tax rate for the class of property as shown on the tax billing, less what was levied on the interim billing.
