Message from the Detachment Commander

I am pleased to present the Huron Detachment 2017 Action Plan Progress Report. As we look back over the past year, we recognize the many policing successes we have had:

- Since 2015 the Huron-Perth Situation Table continues to thrive into 2017. Since inception, 90 individuals across Huron County have been assisted in various ways through resource referral and connection.
- As a result of relentless traffic engagement, education and enforcement, Huron OPP saw a 45% decrease in collisions resulting in fatalities.
- The successful use of the OPP Focused Patrol Strategy proved an effective tool for identifying property and traffic-related concerns in Huron County.

We continue to focus on the reduction of harms and victimization, specifically violent crime, property crime, illicit drugs and cybercrime. Once again, provincial targeted outcomes have been identified and we will work together to achieve these provincial targets by 2019.

Huron Detachment remains committed to a traffic safety approach that will change driver behaviours responsible for injuries and deaths on roadways, waterways and trails.

We will continue to partner, engage and educate to find solutions in demands for service involving persons with mental health issues or in a mental crisis. We are also committed to reducing the number of false alarms which continue to misdirect law enforcement resources in OPP communities.

As we look forward we will continue to ensure our communities have the service delivery they require. The focus of the next two years for our detachment will be:

- Recognizing the need to engage youth in our communities by establishing a Police-Youth Advisory Council.
- Building upon the OPP Mental Health Strategy by implementing a collaborative police-health care response model for Huron County.
- Seeking opportunities to implement the Ontario's Mobilization and Engagement Model of Community Policing to reduce domestic and sexual violence.
- Actively deterring the use of illicit drugs and victimization through property crimes by engaging the Huron Detachment Community Street Crimes Unit.

The dedication of our members, together with the support of our municipalities, will ensure our continued success in keeping our communities safe.

Jason Younan
Inspector – Detachment Commander

Huron County covers 3,407.62 square kilometres of land, and has a full time population of 59,701. This population increases dramatically in summer months with a busy tourist and cottage season. Huron County borders Lake Huron for 126 kilometers, and includes numerous beaches that are excellent for swimming, fishing, sail boating and other water sports, plus two major marinas located in Bayfield and Goderich.

Industries within Huron County include farming, wind power, salt mining, both heavy and light manufacturing, tourism, and shipping of grain and salt from the Port of Goderich. South Huron has several large greenhouses (Suntastic and Veri's) where tomatoes and peppers are grown respectively.

The Huron OPP Administration Centre is situated on Bluewater Highway, south of the Town of Goderich. The Huron Detachment has offices located in the Town of Goderich, Municipality of South Huron and Township of North Huron. Members are deployed to each detachment location. There is also a Community Policing Office located in the village of Brussels and Seaforth supplied by the Municipality of Huron East. Huron OPP services all of Huron County exclusive to the Town of Wingham. The Township of North Huron is a hybrid policing service with OPP.

Huron County also hosts sporting activities which include Young Canada Hockey Week, hockey, broomball, winter carnival, has kilometres of groomed snowmobile and cross country ski trails and a dynamic curling community. The Town of Goderich is home to a YMCA facility that is second to none. For those interested in the arts, Huron County is home to many authors, artists, the Blyth Festival Theatre, Huron County Play House as well as the Goderich Little Theatre. The Grand Bend Motor Plex is located in Huron Detachment area and hosts many drag races and rock concerts throughout the summer racing season. Walton also hosts the Transcan National Motorcross Championships. Within the county there exists Point Farms - a 210 site Provincial Park, and 26 conservation areas. In 2017, the municipality of Huron East hosted the International Plowing Match.

Huron County is made up of nine municipalities (North Huron, Howick, Morris-Turnberry, Ashfield-Colborne-Wawanosh, Central Huron, South Huron, Bluewater, Huron East, and the Town of Goderich). Six of these municipalities fall under the OPP policing Section 5.1 of the Police Services Act, and the remaining three: Central Huron, the Town of Goderich and South Huron, fall under Section 10 of the Police Services Act. Police Service Board meetings and open communication with our municipal representatives and board members continues to be a valuable tool in policing our community.
