Union Gas Limited has applied to the Ontario Energy Board to introduce firm transportation services for gas distributors that will have competitive storage and gas supply options under a new M17 rate class effective January 1, 2019. Union Gas Limited has proposed the new M17 service in response to a request by EPCOR Southern Bruce Gas Inc. for gas transportation services to the South Bruce expansion area.

Union Gas Limited is also seeking approval to limit the applicability of its Rate M9 and Rate T3 rate schedules to existing gas distributors.

THE ONTARIO ENERGY BOARD IS HOLDING A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider the application filed by Union Gas. We will question Union Gas on the case. We will also hear questions and arguments from individual customers and from groups that represent the customers of Union Gas. At the end of this hearing, the OEB will decide whether the proposed new transportation services and changes to existing rate schedules will be approved.

The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.

BE INFORMED AND HAVE YOUR SAY

You have the right to information regarding this application and to be involved in the process.

- You can review the application filed by Union Gas on the OEB's website now.
- You can file a letter with your comments, which will be considered during the hearing.
- You can become an active participant (called an intervenor). Apply by **October 1, 2018** or the hearing will go ahead without you and you will not receive any further notice of the proceeding.
- At the end of the process, you can review the OEB's decision and its reasons on our website.
