Mr. Best,

Thank you for your letter as of October 12, 2018 in regard to the future of Exeter OPP Detachment.

While Municipal Policing Bureau responsibilities include an array of municipal policing matters, facilities is not one of them. As a result, I will need to refer your inquiry to one of my colleagues for a response.

Ontario Provincial Police, Business Management Bureau Facilities Section will answer your facilities related questions. I have forwarded a copy of your correspondence to Anna Francis so that she or a member of her staff may respond to your questions/concerns.

The OPP is committed to adequate, effective, and sustainable police service delivery in Ontario.

Thank you.

Sincerely,
