

Staff Report

Report To: Dan Best, Chief Administrative Officer

From: **Don Giberson, Director of Infrastructure & Development**

Date: February 4 2019

Report: ESD.19.07

Subject: 2018 Drinking Water System Annual Compliance Report to the Ministry of the Environment, Conservation and Parks

Recommendations:

That South Huron Council receive the report from Don Giberson, Director of Infrastructure and Development RE: 2018 Drinking Water System Annual Compliance Report to the Ministry of the Environment, Conservation and Parks.

Purpose:

The purpose of this report is to notify Council of regulatory compliance with respect to the South Huron drinking water system and to protect the liability of those in an oversight role by ensuring that Members of Council are fully informed.

Background and Analysis:

The *Ontario Drinking Water Systems Regulation O. Reg. 170/03* requires that an annual report be prepared for the preceding calendar year prior to February 28th for every registered Drinking Water System. The owner of a drinking water system shall ensure that a copy of the annual report be made readily available to the public and to every person who requests a copy. However, it is no longer a regulatory requirement to submit this report to the Ministry of the Environment, Conservation and Parks (MECP).

This annual report is required to include the following information, for the period covered by the report:

- (a) a description of the drinking water system, including a list of water treatment chemicals used;
- (b) a summary of any reports made to the MECP;
- (c) a summary of the results of tests required under Regulation 170/03, or under an approval, municipal drinking water license, or order, including an OWRC order;
- (d) a description of any corrective actions taken;
- (e) a description of major expenses incurred to install, repair or replace required equipment; and
- (f) a statement of where the report will be available to be viewed.

The 2018 MECP Annual Drinking Water System Report was prepared for the South Huron Water Distribution System and forwarded by email to the MECP, Sarnia and Windsor District Office on January 15, 2019.

A copy of the 2018 MECP Annual Drinking Water System Report has been posted on the municipal web site; a copy has been made available to the public in the South Huron Public Library and at the front counter at the Municipal Office, 322 Main Street South, Exeter. Notification has also been published in the HUB and communicated on social media via Facebook and Twitter.

Operational Considerations:

As this report is being presented for information purposes only, no alternatives are presented.
