**Subject:** Pregnancy and Parental Leave for Members of Council

### Recommendations:

**That** South Huron Council receive the report of Megan Goss, Human Resources & Strategic Initiatives Officer regarding Pregnancy and Parental Leave for Members of Council; and

**That** Council approve the Pregnancy and Parental Leave for Members of Council Policy.

### Purpose:

Approval

### Background and Analysis:

Bill 68 received Royal Assent on May 30, 2017 which amended the Municipal Act, 2001, the City of Toronto Act, 2006 and the Municipal Conflict of Interest Act. Bill 68 included an amendment regarding pregnancy and parental Leave. Section 259 of the Municipal Act states that the office of a member of Council will become vacant if that member of Council "is absent from the meetings of council for three successive months without being authorized to do so by a resolution of council". Prior to Bill 68, a Member

was required to obtain a resolution of Council for an extended leave of absence due to pregnancy, the birth of a child or adoption of a child. Bill 68 provided an exemption to the above noted provision “(1.1) Clause (1) (c) does not apply to vacate the office of a member of council of a municipality who is absent for 20 consecutive weeks or less if the absence is a result of the member’s pregnancy, the birth of the member’s child or the adoption of a child by the member”.

Subsection 270 (1) requires municipalities to adopt and maintain policies with respect to pregnancy and parental leave for members of Council. This amendment will become effective on March 1, 2019.

### **Operational Considerations:**

The policy meets the requirements of the Municipal Act. Under the policy, the offices of council members could not be deemed vacant due to a pregnancy or parental leave for 20 consecutive weeks.
