- f) if access to the subject land will be by water only, the location of the parking and docking facilities to be used;
- g) the location and nature of any easement affecting the subject land.

NOTE: Additional information may be required by the municipality, County, local and provincial agencies in order to evaluate the proposed amendment. This information is often a requirement of the local Official Plan, the County Official Plan, Provincial policies and/or applicable regulations. The required information may include studies or reports to deal with such matters as environmental impacts, traffic, water supply, sewage disposal and storm water management.

Please be advised the responsibility for filling a complete application rests solely with the owner/applicant. Anything not requested or applied for in this application and subsequently found to be necessary, which may require another application(s) and fee(s), are the sole responsibility of the owner/applicant. The County/Municipality will address only the application as applied for, and any items that are not included in the application are not the responsibility of the County/Municipality.

All studies required to support this application shall be at the expense of the applicant and included at the time of submission as a complete application. Where the County/Municipality incurs costs for the peer review of any consultants' reports or fees for legal opinions, the County/Municipality will be reimbursed such costs by the applicant.

In the event of third-party appeals to applications approved by the County/Municipality, the applicant may be responsible for some or all of the legal and other costs incurred by the County/Municipality, at the discretion of the County/Municipality.
