

South Huron Community Fund

Tools to grow our community

Project Flow-Through Funding

Donors flow financial contributions to community projects through our fund. In exchange for a 2% administration fee, a tax receipt is issued to donors for the full amount.

Draw-Down Fund

A donor establishes a fund for a finite amount of time. The money is disbursed until the funds are gone. 'Quick' flow and 'slow flow' (i.e., time for interest to accrue) options are available.

"Family" Legacy Fund

Donors wishing to leave a legacy establish a permanent fund that is professionally managed to generate investment income. Annual grants are disbursed to qualifying community charities or projects by a committee of volunteers, unless otherwise expressed by donor(s) in the fund agreement.
