

Good afternoon everyone,

The following motion was approved at the Huron County Council meeting of September 18, 2019.

Moved By: Councillor Jewitt and Seconded By: Councillor McNeil

THAT:

The Council of the County of Huron directs staff to proceed with the process to download the Plumbing and Septic Program to the lower tier municipalities within the County of Huron. CARRIED

For the program to be downloaded to the lower-tiers, a lower-tier council must pass a by-law and that by-law must be approved by half of the lower-tier Municipalities in the County, representing a majority of electors in the County. We ask that you present this your Council.

If you require any clarification please feel free to contact myself or CAO Meighan Wark.

Sincerely Susan

Susan Cronin, Dipl.M.M.
