Dear Municipality of South Huron

I am writing to you on behalf of the steering committee for homelessness in South Huron. We are interested in hosting a community meeting to address the issues regarding homelessness and to offer a chance for members of the community to ask questions and be given more information.

We are expecting a fair amount of people to attend this meeting and we are asking if you can donate the use of the recreation hall for this meeting. We are willing to work around any scheduling issues, but our hope is to host it on a October 21 at 7 pm.

We know that you are just as concerned with these issues as we are and we appreciate all the support you have given us. If you have any further questions please feel free to reach out to me.

Warm Regards

Andrea Loohuizen
