Learn more. Have your say.

Union Gas Limited applied to the Ontario Energy Board to raise its natural gas rates effective January 1, 2018. If the application is approved, a typical residential customer of Union Gas Limited in the south (Windsor to Hamilton) would see an increase of approximately \$9.60 per year. Residential customers in all the other areas served by Union Gas Limited would see an increase ranging from \$10.75 to \$14.00 per year. Other customers, including businesses, may also be affected.

The requested rate increase is set using a formula previously approved by the Ontario Energy Board for the period 2014 to 2018. The formula is tied to inflation and other factors intended to promote efficiency.

Union Gas Limited is also requesting approval to make certain changes to the Rate M12 Schedule "C" as it applies to the proposed M12-X service and other services. Union Gas Limited's application also includes costs for the Panhandle Reinforcement Project.

THE ONTARIO ENERGY BOARD WILL HOLD A PUBLIC HEARING

The Ontario Energy Board (OEB) will hold a public hearing to consider Union Gas' request. We will question the company on its case for a rate change. We will also hear questions and arguments from individual customers and from groups that represent Union Gas customers. The OEB is an independent and impartial public agency. We make decisions that serve the public interest. Our goal is to promote a financially viable and efficient energy sector that provides you with reliable energy services at a reasonable cost.
