**Subject:** Reference Letter for Brandon Vandwerwel

To whom it may concern,

I am writing this letter in support of Brandon Allen Gibbons-Vanderwel. I have personally known Brandon for several years and can say without a doubt that he is a top-notch business professional who puts people ahead of profits and conducts himself in both his business and personal affairs with honesty and integrity. Brandon is a man who prides himself on doing the right thing, on helping the most people he can, when and where he can. He is a problem solver and when put to task can accomplish great things. He is a self-starter and has an internal drive to rise to new heights.

I support Brandon and his goal and know that he will lead this project with passion, seeing it through fully to bring it across the finish line and beyond.

Yours in success,
