Good Morning, and it's a very hot one!

I understand the South Huron Council will be discussing a proposed or requested sanctuary for TWO lion cubs on Monday, July 13, 2020.

The proposal is being requested by the owner of the two cubs, Brandon Vanderwel. He has stated that he intends to purchase a large acreage a distance from any housing, and would

build there a VERY secure, double fenced facility for these TWO lion cubs I would like to say that these cubs will not, nor can be bred. There will be no more animals, cats or otherwise, lodged at this facility.

This facility is ONLY for these TWO animals, and will not be open to the public! It will be built to keep everyone, the people and the cubs safe and secure!

I have known Brandon for a long time and he WILL do as he is saying. He is very attached to these two lion cubs and they to him

There are many dogs, because of their owners, I would trust far less than these two lion cubs.

Thank you for taking time to read this email, and for your consideration.

Yours Truly
