Subject: Kirkton/Woodham Pool

Good morning,

I wanted to reach out and ask if the MOSH would reconsider it's decision to close the Kirkton Pool this summer. The Kirkton Pool is a wonderful local facility that provides a healthy active environment for community children and families. The pool is accessible to those with mobility issues. The rural location of this pool means it is easier to limit the number of users. Family pool passes could be used to ensure the pool is utilized by local families, making contact tracing quite feasible.

I have always felt fortunate to have this pool in our rural community and would love to see it used to bring joy to kids who have found themselves in very uncertain and confusing times. I have seen at least one local pool open during phase 2 of re-opening in the province, and would love to see MOSH consider doing so as well.

Thank you for your consideration.
