Municipality of South Huron
322 Main St. S.
Exeter, ON
N0M 1S6

Dear Council,

On behalf of our organization we are seeking authorization to partner with the Municipality to seek funding from the Grand Bend Community Foundation for an upgrade to our security system. We are a not-for-profit and as such we cannot apply directly to the Foundation as we would not be deemed a qualified donee for their granting purposes.

This project will allow the tenants at Huron Turning Point greater security for themselves and fellow tenants. The cost of the project is \$1,966.20. We have included the quote from AMP Security for your information. The deadline for applications is September 30, 2020.

If you have any questions, please do not hesitate to call. We look forward to being able to partner with the Municipality in this project.

Sincerely,

Shawn Walker
