Re: PHASE 2 OF SOUTH HURON RECREATION
CENTRE RENOVATIONS

Renovations for the South Huron Recreation Center have been approved. The gym and walking track **are not** included in Phase 1 and will be addressed in Phase 2 of the project.

Our request is:

1. That a motion be passed by the current council to **begin Phase 2** of the South Huron Recreation Centre renovations.
2. We further request that Phase 2 **commence in 2022**, and
3. That Council **consult with the public** on the process for Phase 2.

Before details are finalized, we need our voice heard. **Please sign this petition to implore Municipality of South Huron Council to meet our needs. We need a place to exercise and play pickleball without**

interruption.
