"The Municipality"

And

Thames Road Elimville Community Park Committee

"The Committee"

Preamble

The Thames Road Elimville Community Park Committee (The Committee) coordinates and sustains a multi-use park so that it can continue offering a publically-accessible green space for the people of South Huron and beyond.

Purpose of the Memorandum of Understanding (MOU)

The development of a Memorandum of Understanding (MOU) will assist The Committee to formalize a working relationship with the Municipality of South Huron and assist in a sustainable publically-accessible green space for the people of South Huron and beyond.

The development of this MOU supports three pillars within the Municipality of South Huron Strategic Plan. These pillars are as follows:

- **Improved Recreation and Community Well-being**

South Huron is a beautiful place to live. Ensuring this condition continues to exist is the responsibility of everyone, and requires equal attention to the needs of both our urban and rural areas. Sustainable and principled growth is about balancing this condition, defining South Huron as a desirable community through: heritage, culture, tourism, recreation, the natural environment and municipal investment in building communities.

- **Increased Communications and Municipal Leadership.**
A central element of civic participation and community building is an informed and engaged public. South Huron must strive to ensure that the means and methods for all residents to actively participate in the wide range of events, opportunities, and decisions impacting the community are in place. This will require that systems and places for dialogue and consultation are actively pursued for residents, staff, council and others.
- **Transparent, Accountable and Collaborative Governance**
