Subject: Re: Tridon Development fiasco

I have been reading social media for over an hour. I see you sold us out for 30 pieces of silver. SHAME SHAME SHAME the 5 of you who voted for this. Bring on an election as based on comments do NOT expect any votes from Grand Cove or other areas of SH.

You are literally stealing from people by going this route. South Huron council literally does not care about the current residents. Upon my return I will no longer be looking to move to Exeter but rather North Middlesex. It is far more affordable and trustworthy,

Perhaps it is time to think OMB

Rest assured that apart from M Vaughan I no longer trust this council as they do not have our best interests at heart.
