- **There is an urgent need for housing across South Huron. Where would you like to see housing growth occur (In fully serviced areas) (Select all that apply)**
Exeter, Centralia
- **What type of housing is most needed in South Huron?**
Townhouses , Duplex or semi-detached housing, Apartment buildings
- **How do you see South Huron evolving in the next 25+ years?**
Pryde St extended with a multi-plex affordable housing neighbourhood, maybe buy up Huron Park and rebuild that community
- **What policies do you believe most need review in the Official Plan?**
Housing, Commercial, Industrial, Community facilities
- **What do you love about South Huron?**
Agri-rich, lots of retail, great neighbours, beautiful parks and lakefronts
- **What are we already doing well, and how can we build on it?**
The community centre is well run and attracts a lot of visitors but the streets leading to it are atrocious. We often go for walks after supper and we notice that there are many dark sections of streets with poor lighting. Also, the DairyQueen litter from highschool students is bad. DQ has a fence blown over but no intention of fixing and neighbours

around them have to deal with the noise and traffic from drive thru and smell of the grill. Maybe there shouldnt be drive thru allowed within town limits.
