

## Staff Memo

To: South Huron Council  
From: Alex Wolfe, Clerk  
Date: February 3, 2025  
Re: Amendment to Appointment of Municipal By-Law Enforcement Officers and Property Standards Officers

---

### **Purpose:**

To amend the Appointment of Municipal By-Law Enforcement Officers and Property Standards Officers By-Law to reflect new officers.

### **Background and Analysis:**

Council passed By-Law 52-2022 appointing staff members of Tenet Security Group Incorporated as Municipal By-Law Enforcement Officers and Property Standards Officers. By-Law 46-2024 was passed last year updating the officers. We have been advised of further staff turnover and as such, the Municipal By-Law needs to be updated to reflect the new officers.

Schedule A of By-Law #11-2025 will replace Schedule A of By-Law 52-2022, and By-Law #46-2024 will be repealed once approved.
