That South Huron Council receives the report from Don Giberson, ESD Director re: DWQMS Annual Management Review and selects a Council representative to participate in this review.

Purpose:

The purpose of this report is to request a Council representative to participate in the Annual DWQMS Management Review.

Background and Analysis:

The Safe Drinking Water Act requires an annual Management Review to be conducted in accordance with the Drinking Water Quality Management Standard. The DWQMS requires that a Management Review be carried out annually with Top Management and the Owner that evaluates the continuing suitability, adequacy and effectiveness of the Quality Management System.

The previous Management Review was conducted on September 20, 2016. The Management Review ensures Top Management and the Owners involvement in the QMS. Top Management is to ensure the review is performed, deficiencies are identified, and the results are reported to the Owner.

The Management Review Procedure in South Huron's QMS Operational Plan, sets out that a representative of Council is to participate in this meeting. A Management Review meeting has been scheduled for 10:00am on October 11, 2017 and Staff require a Council representative to participate.
